This group is a private entity that submitted an unsolicited proposal, ie they are looking to sell something[**Deliberative Process/Ex. 5**]

[**Deliberative Process/Ex. 5**] The proposal was submitted to Todd Hennis and we were asked to provide accommodation for their site visit under Todd's consent for access. I have included the document I am referring to.

Thanks, David. Last I saw on the last question was in an email from Emily Selia on Sept 25 at 2:58 pm. It notes that David (I assume that's you) was looking to find someone who has seen the letter. Nitin is in today and we can ask him to review but I prefer to give it to him once so can you please add the response to Q5? And if it is a different David can you let us know who it is? Thanks, nancy

I added language to 4 about our technical review process we are undertaking related to the R&B. Do you need an answer to 5?

Can you revise and send it back to us? I need to get Barry or Nitin to review the revision before responding to OPA.

Thanks, nancy

Hi Mathy,

Attached are the responses for the Arizona Republic inquiry. We don't have a response yet for Question 5, but we will send what we have now and let the reporter know we will get back to her. OPA added one sentence, it is in track changes in the attached document. This was due yesterday so the EOC is hoping to get this to the reporter today. Any edits?

Thanks,
Rachel

Hi Randy,

I'm back in the EOC PIO today for Christie. Attached are questions from a reporter at the Arizona Republic. Draft responses are included for immediate review (original deadline was yesterday). Steve Ways and David Ostrander drafted and approved the responses.

Note: On the last question, we don't yet have a response as David is still looking to find someone who has seen this letter.
